Public Information Centre  
City of Guelph  
April 4, 2018

# Purpose of Public Information Centre

- Communicate scope and limits of construction
- Identify potential construction or access issues ahead of construction
- Liaise with local residents as to their concerns and potential mitigation measures
- Discuss timing and schedule

# Staging

- Stage 1: Wyndham Street from York Road to the bridge at the Speed River
  - Completed
- Stage 2: Howitt Street and Margaret Street
  - On-going
  - Completion Spring 2017
- Stage 3: Neeve Street and Cross Street
  - Started June 2017
  - Completion Spring 2018
- Stage 4: Arthur Street and Duke Street
  - Expected start June 2018
  - Expected Completion December 2018
- Stage 5: Arthur Street and Elizabeth Street
  - Expected 2020 Construction

# Comments / Feedback

- Please fill out a comment form should you have feedback for the project team
