

NOTICE OF PUBLIC INFORMATION CENTRE

Municipal Class Environmental Assessment Schedule B Gordon Street Improvements (between Edinburgh Road and Lowes Road)

The City is planning improvements to Gordon Street between Edinburgh Road South and Lowes Road to address the current and future needs of our growing community.

You are invited to attend the project Public Information Centre on **Tuesday, October 1, 2019** **6 p.m. to 8 p.m. (drop in format)** which will be held at:
The Salvation Army Guelph Citadel & Nursery School
1320 Gordon Street
Guelph, ON

The City of Guelph has initiated a Class Environmental Assessment (EA) study following the Schedule B planning process for proposed improvements to Gordon Street from Edinburgh Road to Lowes Road. The anticipated improvements will accommodate community growth while considering vehicular traffic, transit operations and provisions for pedestrians and cyclists. The location and approximate extent of the study area are shown on the accompanying map.

The process

The EA will be conducted as a Schedule 'B' project in accordance with the Municipal Class Environmental Assessment process (Municipal Engineers Association, October 2000, as amended in 2007, 2011 and 2015), under the Ontario Environmental Assessment Act. The study will develop an appropriate design for this section of Gordon Street, with considerations given to potential social, economic and environmental impacts, and appropriate mitigation measures to minimize these impacts.

Why attend?

Come talk with City staff and project team members about the study. Learn about the project location, existing conditions, purpose of the study, initial study findings and a summary of the preliminary considerations. All of this information will be available for public viewing and comment prior to any decisions on the preferred alternative and subsequent recommend improvements that will follow at a second Public Information Centre (date to be confirmed). If you need disability-related accommodations, please contact Gwen Zhang by September 20 with your request.

For Further Information

For further information about this project, including updates, please visit www.guelph.ca/gordonea. If you have questions, comments or are interested in participating in the study, please contact one of our project team members.
